THE NONCONFORM CONFORMIST

Echte Charakterköpfe haben Ecken und Kanten und lieben ihre Freiheit.
Warum also nicht um 3 Uhr nachts mal eben das Wohnzimmer auf den Kopf stellen? Schließlich hat ein Perspektivenwechsel noch niemandem geschadet.
Stellt sich nur die Frage: Récamière links, Récamière rechts? Rückenlehne, ja, nein, vielleicht? Ganz egal, denn Edgy verbindet mit seiner klaren, konstruktiven Art maximale Freiheit mit maximaler Cosyness! **It's hip to be square.**

Real character heads are edgy and rough; and they love their freedom. So why not turn the living room upside down at 3 AM? A change in perspective never did anyone any harm anyway. The only question is: Récamière left, Récamière right? Back rest, yes, no, maybe? It doesn't really matter, because Edgy combines the maximum of freedom with the maximum of cosiness because of its clear and constructive nature! **It's hip to be square.**

LE CONFORMISTE NON CONFORME

Les caractères forts ont des angles et des bords très marqués et aiment leur liberté. Pourquoi ne pas réorganiser totalement le salon à 3 heures du matin ? Après tout, un changement de perspective n'a jamais fait de mal à personne. Reste à se poser les questions suivantes : méridienne à gauche ou à droite ? des dossiers, oui, non, peut-être ? Peu importe, car Edgy réunit tout dans un condensé clair de liberté et de cocooning. **It's hip to be square.**
