Mir ist es beim Auflegen schon passiert, dass ich anfangs zu weinen, weil der Song mir so viel bedeutet. Musik ist ein ganzer Ozean aus Seele für mich. Und aus Liebe. Diese zu teilen ist das Größte. Andere Menschen zu sehen, wie sie beim Tanzen lachen, den Alltag vergessen und sich verlieren, macht mich glücklich. Dann komme ich heim, wenn die Sonne aufgeht und lasse mich zufrieden fallen. **A DJ can save your life.**

Sometimes, I only have to put the needle in the groove and the song's first notes can move me to tears. For me, music is an ocean for my soul to sail in. On a ship made of love. Bringing other people on board is the best. Seeing how others laugh when they dance, forget their daily cares and lose themselves in the moment – then I'm happy, too. Then I come home with the rising sun and let my couch catch me, happy and contented. **A DJ can save your life.**

Si j'étais un meuble je serais un canapé. Un grand et large canapé, sans fioritures, très flexible et droit (comme moi) et surtout avec beaucoup de place pour tous mes amis. Toute la journée nous pourrions alors paresser, discuter, manger et boire ensemble ... attention ... les gars ne seraient évidemment pas autorisés à manger ou à boire sur moi, leur canapé ! Je les connais bien, ils se comportent comme dans une porcherie. Mais bon ... je les aime comme ils sont
